

CTR Electronic Data Resource Library

June 14, 2011

To obtain library materials, contact LeeLa Coleman at leela.j.coleman@state.or.us or 971-673-1056

NOTE: distribution may be limited due to copyright restrictions. Contact OSCaR.

Coding and Instructional Manuals

COC

- DAM (eff. 1988-1994)¹
- ROADS (eff. 1996 – 1997)¹
- ROADS (eff. 1998 – 2002)¹
- FORDS 2002 (eff. 2003 – 2004)¹
- FORDS Revised for 2007 (eff. 2007 – 2008)¹
- FORDS Revised for 2009 (eff. 2009 – 2009)¹
- FORDS Revised for 2010 (eff. 2010 – current)¹

Collaborative Staging

- CS Historical
 - CS Manual v1.03 (eff 2007 – 2007)
 - CS Manual v1.04 (eff. 1/1/08 to 12/31/2009)^{1,4}
- CS v2 eff 2010 to current
 - CS Manual v2 (eff. 1/1/2010 – current)¹
 - Part 1 & Part 2 and all site specific schema

ICD-O

- ICD-O Second Edition (eff. 1992 – 2000)^{1,4}
- ICD-O Third Edition (eff. 2001 – current)^{1,2,4}

NAACCR

- Data Standards and Dictionary V12 (eff. 1-1-2010 – current)¹
- NAACCR Fundamentals of Registry Operations
 - Disk 1 – Case Ascertainment: *Procedures for Central Registries*³
 - Disk 2 – Principles of Abstracting: *Procedures for Central Registries*³
 - Disk 3 – Data Editing and EDITS: *Procedures for Central Registries*³
 - Disk 4 – Coding and Visual Editing: *Procedures for Central Registries*³
 - Disk 5 – Follow-up: Active and Passive *Procedures for Central Registries*³
 - Disk 6 – Audits: Casefinding and Reabstracting *Procedures for Central Registries*³
 - Disk 7 – Data Collection & Coding: Race & Ethnicity *Procedures for Central Registries*³
 - Disk 8– Basic Cancer Epidemiology and Biostatistics *Procedures for Central Registries*³
 - Disk (no number) – Death Clearance *Procedures for Central Registries*³

NPCR

- Data Collection of Central Nervous System Tumors (eff. 2004 - current)^{1,4}
 - Note: good basic reference, some info may be outdated
- NPCR Program Manual v1.0

1 – available in .pdf format, can transmit via email

2 – available in hard copy

3 – available in CD, must be mailed

4 – Retained for historical purposes

- NPCR Program Standards 2009

- 1 – available in .pdf format, can transmit via email
- 2 – available in hard copy
- 3 – available in CD, must be mailed
- 4 – Retained for historical purposes

SEER

- SEER Program Coding and Staging Manual 2010 (eff 1/1/10 – current)¹
 - Note: Access Appendix C which contains combined site specific coding modules (coding notes, MP/H rules, CS staging schemas and surgery codes on the web at: <http://seer.cancer.gov/manuals/2010/appendixc.html>)
- SEER Historical Manuals
 - SEER MPH Rules 2007 – 10/13/10
 - SEER Summary Staging (eff 1977 – 2000)¹
 - SEER Summary Staging Manual (eff. 2001 – 2003)^{1,4}
- SEER Program Instructional Manuals
 - Book 1 – Objectives & Functions of Cancer Registries Hospital & Central¹
 - Book 2 – Cancer Characteristics and Selection of Cases¹
 - Book 3 - Composition of Medical Terms¹
 - Book 4 – Human Anatomy as Related to Tumor Formation¹
 - Book 5 - Abstracting a Medical Record¹
 - Book 7 – Statistics & Epidemiology for Cancer Registries¹
 - Book 8 - Antineoplastic Drugs¹ (Replaced by SEER*Rx, but good background information on how antineoplastic drugs work)
- SEER Hematopoietic & Lymphoid Neoplasm Database & Manual ver 1.6.1 (eff 1/1/10)¹
- SEER MPH Rules 2007 (eff 10/14/10 to current)

OCRA Miscellaneous

- Cancer Registrars Study Guide **November 2010 Edition**, Florida Cancer Registrars Association²
- The Complete Guide to Interpreting Cancer Program Standards, ACOS (no date)¹
- Cancer Registry Staffing and Compensation Manual 2001, NCRA¹

Other Manuals

- A Cancer Registrar's Guide to Collecting Industry and Occupation, April 2011, NIOSH¹ 

Conference and miscellaneous presentations

NCRA Educational Conferences (copyright CDs only, must be mailed)

- NCRA 36th Annual Conference, April 20 – 23, 2010, Palm Springs CA³
- NCRA 35th Annual Conference, May 31 – June 3, 2009 New Orleans³

Miscellaneous presentations

- NPCR Cyber Cancer Registry (PPT ver 7/28/10)
- NPCR What's New in FORDS: Revised for 2010"... and Why? (PPT ver 7/14/10)
- SEER Hematopoietic DB, Rules & Tumor Linkage: Updating Algorithms (PPT ver 7/15/10)

1 – available in .pdf format, can transmit via email

2 – available in hard copy

3 – available in CD, must be mailed

4 – Retained for historical purposes

Webinars

- **CSv2 webinars**
 - CSv2 General Changes (ver 9/15/09)
 - CSv2 GIST (ver 12/1/09)
 - CSv2 Gyn (ver 12/8/09)
 - CSv2 Liver and Bile Ducts (ver 11/17/09)
 - CSv2 Lymphoma and Hematopoietic (ver 10/27/09)
 - CSv2 Melanoma (ver 10/13/09)
 - CSv2 Merkel Cell (ver 11/3/09)

- **NAACCR Webinars** - Collecting Cancer Data series – *All available electronically*
 - 2010 Changes (10/2009)
 - 3 CE, includes presentation, slides, quiz & answers, attendance certificate
 - Change Management (1/7/10)
 - 3 CE, includes presentation, slides, attendance certificate
 - Coding Pitfalls (9/22/10)
 - 3 CE, includes presentation, slides, quiz & answers, QNA, attendance certificate
 - Collecting Industrial and Occupational Data (10-25-10)
 - presentation, slides, quiz & answers
 - GIST NET (4/1/10)
 - 3 CE, includes presentation, slides, quiz & answers, attendance certificate
 - Liver & Biliary Tract (12/2/10)
 - 3 CE, includes presentation, slides, quiz & answers, QNA, attendance certificate
 - Collecting Cancer Data: Testis (2/3/11)
 - 3 CE, includes presentation, slides, quiz & answers, QNA, attendance certificate
 - Collecting Cancer Data: Bladder (3/3/11)
 - 3 CE, includes presentation, slides, quiz & answers, QNA, attendance certificate
 - Collecting Cancer Data: Prostate (5/12/11)
 - 3 CE, includes presentation, slides, quiz & answers, QNA, attendance certificate

 - Best Practices for Developing and Working with Survival Data (6/2/11) 
 - 3 CE, includes presentation, slides, quiz & answers, QNA, attendance certificate

- **SCHEDULED FOR 2011(not yet available), 3 CE placeholder folders**
 - Complete Case Identification and Ascertainment (7/7/11)
 - NAACCR Interoperability Activities and the Electronic Health Record (8/4/11)
 - Coding Pitfalls (9/1/11)

- **NCRA Webinars**
 - None available at this time

1 – available in .pdf format, can transmit via email

2 – available in hard copy

3 – available in CD, must be mailed

4 – Retained for historical purposes
