

OREGON MEDICAL MARIJUANA ACT

475.300 Findings. The people of the state of Oregon hereby find that:

(1) Patients and doctors have found marijuana to be an effective treatment for suffering caused by debilitating medical conditions, and therefore, marijuana should be treated like other medicines;

(2) Oregonians suffering from debilitating medical conditions should be allowed to use small amounts of marijuana without fear of civil or criminal penalties when their doctors advise that such use may provide a medical benefit to them and when other reasonable restrictions are met regarding that use;

(3) ORS 475.300 to 475.346 are intended to allow Oregonians with debilitating medical conditions who may benefit from the medical use of marijuana to be able to discuss freely with their doctors the possible risks and benefits of medical marijuana use and to have the benefit of their doctor's professional advice; and

(4) ORS 475.300 to 475.346 are intended to make only those changes to existing Oregon laws that are necessary to protect patients and their doctors from criminal and civil penalties, and are not intended to change current civil and criminal laws governing the use of marijuana for nonmedical purposes. [1999 c.4 §2]

Note: 475.300 to 475.346 were adopted by the people by initiative petition but were not added to or made a part of ORS chapter 475 or any series therein. See Preface to Oregon Revised Statutes for further explanation.

(b) In addition to the authority granted to the authority under ORS 475.316 to deny an application, the authority may deny an application for the following reasons:

(A) The applicant did not provide the information required pursuant to this section to establish the applicant's debilitating

medical condition and to document the applicant's consultation with an attending physician regarding the medical use of marijuana in connection with such condition, as provided in subsections (2) and (3) of this section;

(B) The authority determines that the information provided was falsified; or

(C) The applicant has been prohibited by a court order from obtaining a registry identification card.

(c) Denial of a registry identification card shall be considered a final authority action, subject to judicial review. (d) Any person whose application has been denied may not reapply for six months from the date of the denial, unless so authorized by the authority or a court of competent jurisdiction.

(6)(a) If the authority has verified the information submitted pursuant to subsections (2) and (3) of this section and none of the reasons for denial listed in subsection (5)(b) of this section is applicable, the authority shall issue a serially numbered registry identification card within five days of verification of the information. The registry identification card shall state:

(A) The cardholder's name, address and date of birth;

(B) The date of issuance and expiration date of the registry identification card;

(C) The name and address of the person's designated primary caregiver, if any;

(D) Whether the marijuana used by the cardholder will be produced at a location where the cardholder or designated primary caregiver is present or at another location; and

(E) Any other information that the authority may specify by rule.

(b) When the person to whom the authority has issued a registry identification card pursuant to this section has specified a designated primary caregiver, the authority shall issue an identification card to the designated primary caregiver. The primary caregiver's registry identification card shall contain the information provided in paragraph (a) of this subsection.

(7)(a) A person who possesses a registry identification card shall:

(A) Notify the authority of any change in the person's name, address, attending physician or designated primary caregiver.

(B) If applicable, notify the designated primary caregiver of the cardholder and the person responsible for the marijuana grow site that produces marijuana for the cardholder of any change in status including, but not limited to:

(i) The assignment of another individual as the designated primary caregiver of the cardholder;

(ii) The assignment of another individual as the person responsible for a marijuana grow site producing marijuana for the cardholder; or

(iii) The end of the eligibility of the cardholder to hold a valid registry identification card.

(C) Annually submit to the authority:

(i) Updated written documentation from the cardholder's attending physician of the person's debilitating medical condition and that the medical use of marijuana may mitigate the symptoms or effects of the person's debilitating medical condition; and

(ii) The name of the person's designated primary caregiver if a primary caregiver has been designated for the upcoming year.

(b) If a person who possesses a registry identification card fails to comply with this subsection, the card shall be deemed expired. If a registry identification card

expires, the identification card of any designated primary caregiver of the cardholder shall also expire.

(8)(a) A person who possesses a registry identification card pursuant to this section and who has been diagnosed by the person's attending physician as no longer having a debilitating medical condition or whose attending physician has determined that the medical use of marijuana is contraindicated for the person's debilitating medical condition shall return the registry identification card and any other associated Oregon Medical Marijuana Program cards to the authority within 30 calendar days of notification of the diagnosis or notification of the contraindication.

(b) If, due to circumstances beyond the control of the registry identification cardholder, a cardholder is unable to obtain a second medical opinion about the cardholder's continuing eligibility to use medical marijuana before the 30-day period specified in paragraph (a) of this subsection has expired, the authority may grant the cardholder additional time to obtain a second opinion before requiring the cardholder to return the registry identification card and any associated cards.

(9) A person who has applied for a registry identification card pursuant to this section but whose application has not yet been approved or denied, and who is contacted by any law enforcement officer in connection with the person's administration, possession, delivery or production of marijuana for medical use may provide to the law enforcement officer a copy of the written documentation submitted to the authority pursuant to subsection (2) or (3) of this section and proof of the date of mailing or other transmission of the documentation to the authority. This documentation shall have the same legal effect as a registry identification card until such time as the

person receives notification that the application has been approved or denied.

(10) A registry identification cardholder has the primary responsibility of notifying the primary caregiver and person responsible for the marijuana grow site that produces marijuana for the cardholder of any change in status of the cardholder. If the authority is notified by the cardholder that a primary caregiver or person responsible for a marijuana grow site has changed, the authority shall notify the primary caregiver or the person responsible for the marijuana grow site by mail at the address of record confirming the change in status and informing the caregiver or person that their card is no longer valid and must be returned to the authority.

(11) The authority shall revoke the registry identification card of a cardholder if a court has issued an order that prohibits the cardholder from participating in the medical use of marijuana or otherwise participating in the Oregon Medical Marijuana Program under ORS 475.300 to 475.346. The cardholder shall return the registry identification card to the authority within seven calendar days of notification of the revocation. If the cardholder is a patient, the patient shall return the patient's card and all other associated Oregon Medical Marijuana Program cards.

(12) The authority and employees and agents of the authority acting within the course and scope of their employment are immune from any civil liability that might be incurred or imposed for the performance of or failure to perform duties required by this section. If the defendant fails to file and serve such notice, the defendant is not permitted to assert the affirmative defense at the trial of the cause unless the court for good cause orders otherwise. [1999 c.4 §6; 1999 c.825 §4; 2005 c.22 §347; 2005 c.822 §12]

No such property interest may be forfeited under any provision of law providing for the forfeiture of property other than as a sentence imposed after conviction of a criminal offense. Usable marijuana and paraphernalia used to administer marijuana that was seized by any law enforcement office shall be returned immediately upon a determination by the district attorney in whose county the property was seized, or the district attorney's designee, that the person from whom the marijuana or paraphernalia used to administer marijuana was seized is entitled to the protections contained in ORS 475.300 to 475.346. The determination may be evidenced, for example, by a decision not to prosecute, the dismissal of charges or acquittal. [1999 c.4 §8; 1999 c.825 §5; 2005 c.22 §348]

Note: See note under 475.300.

[2005 c.822 §10]

Note: See note under 475.300. 475.324 was added to and made a part of 475.300 to 475.346 by legislative action.

(2) Providing the written documentation necessary for issuance of a registry identification card under ORS 475.309, if the documentation is based on the attending physician's personal assessment of the applicant's medical history and current medical condition and the attending physician has discussed the potential medical risks and benefits of the medical use of marijuana with the applicant.
