

Where to Make Disease Reports

Reports should be made to the patient's local health department. Reports on out-of-state residents can be made to the provider's local health department, or (preferably) directly to the Oregon Public Health Division (phone 971-673-1111; fax 971-673-1100). The following list is provided for your convenience. Phone and fax numbers (especially the latter) are subject to change. County names are fairly stable.
