Purchasing 340 B Contraceptives

340 B ID Number

In order to set up contracts with manufacturers and distributors of pharmaceutical supplies, you will need your agency's 340B ID number. You can locate your ID# in the Office of Pharmacy Affairs 340B covered entities database: <http://opanet.hrsa.gov/opa/Default.aspx>.

- Click on *Search Covered Entities*
- Entity type = *Family Planning Clinic (Title X) or Federally Qualified Health Center*
- Once you have narrowed the search to Oregon clinics click on the column heading **Entity Name** to re-sort the clinics in alphabetical order.

Prime Vendor Program

To receive the deepest discounts, your agency will need to be a member of the 340 B Prime Vendor Program (PVP) managed by Apexes. If your agency is not a member of PVP, the contact information to join is below:
