### Non-discrimination statement

**4.0** The USDA non-discrimination statement must be included on all WIC program materials that are produced for public notification. These materials may include: outreach letters and brochures; program information; newspaper, television or radio announcements; posters; newsletters; referral materials; internet websites, application forms; or certification forms that are signed by participants. See Appendix A for the full text of the non-discrimination statement.

### Shorter non-discrimination statement

**4.1** There is a short form of the non-discrimination statement that may be used on materials with limited space. These materials may include:

- postcards;
- flyers of less than a page;
- newspaper articles, radio and television public service announcements that are generally short in duration.

**4.1.1** Refer to Appendix A for the short form of the nondiscrimination statement:

### Guidelines for using the non-discrimination statement

**4.2** The nondiscrimination statement should be:

- in long form whenever possible (see Appendix A);
- on all WIC outreach materials;
- on program application materials provided to applicants;
- on materials that the WIC program produces for public information, public education or public distribution;
- large enough to be legible (*at least 10 point font size for both the long and short forms*);
- in English and in other languages appropriate to the local population; and
- in an alternative means of communication such as large print, Braille, audio, etc, when requested.

### Statement not required

**4.3** Materials specific to nutrition education or breastfeeding that strictly provide a nutrition message and do not mention the WIC program are not required to contain the USDA nondiscrimination statement.

### Local agency non-discrimination statements

**4.4** Some local agencies may recommend or require the use of nondiscrimination statements specific to their own programs and facilities. These may be included on materials in addition to the required USDA statement but are not a substitute for it.

### Outreach

**5.0** Local programs are required to do outreach activities at least annually in order to inform eligible individuals, particularly minorities, of the availability of the WIC program. Please refer to ♦470—Local Program Outreach.
5.1 Provide printed materials such as pamphlets and outreach brochures containing information on where WIC services are available. See ♦470—Local Program Outreach for guidelines on what should be included in printed materials.

5.2 Local programs shall make program regulations and guidelines available to the public upon request.

6.0 Where a significant number of potentially eligible individuals have Limited English Proficiency (see Definitions), the WIC program shall take reasonable steps to provide these individuals with meaningful access to WIC program services and information.

6.1 The state WIC program will provide outreach and program information in other languages as is reasonable and necessary.

6.2 Local WIC programs must take reasonable steps to provide WIC services in other languages as necessary. This may include working with interpreters, using a language line, and providing printed materials in appropriate languages.

6.3 State and local WIC programs can take the following steps to help determine when it is necessary to provide language services:

6.3.1 Determine the number or proportion of LEP persons who are being served or who are in the eligible population.

6.3.2 Consider the frequency with which WIC staff should have contact with LEP persons.

6.3.3 Consider the importance of the information or service being provided.

6.3.4 Consider the available resources and costs of providing language services.

6.4 Contact the state WIC Civil Rights representative if you have questions about providing services to LEP individuals.

7.0 Inform applicants and participants of their rights and responsibilities at every certification and recertification visit. Rights and responsibilities must include program-specific information and WIC’s nondiscrimination policy and complaint process. Please refer to ♦635—Participant Notification: Eligibility and Rights & Responsibilities.

7.1 At each certification and recertification visit, local programs must provide the individual with a copy of “My Rights and Responsibilities” (form 57-630).

7.1.1 Ensure that the individual is informed of rights and responsibilities in the appropriate language and understands the content of the form.
CIVIL RIGHTS, cont.

“Participant Signature Form”

7.2 Have the individual sign the “Participant Signature Form” (form 57-629) to show that they were informed of and understood their rights and responsibilities as a WIC participant.

Retention

7.2.1 File and retain the signed “Participant Signature Form.” Local programs may use an aggregate filing system. See 426—Record Retention.

7.3 These forms are available in print in English and Spanish. Additional languages can be downloaded from the Clinic Forms page of the state website at http://public.health.oregon.gov/HealthyPeopleFamilies/wic/Pages/clinicforms.aspx

Reasonable accommodation and program accessibility

8.0 Local WIC programs shall provide reasonable accommodation to ensure that the WIC program is equally accessible to all eligible individuals. Examples of reasonable accommodation include but are not limited to the following:

- Provide wheelchair access to WIC service locations. This accommodation provides equal access individuals using wheelchairs.
- Where a significant portion of WIC participants need service in a language other than English, have bilingual staff or translators available who speak the same language as the participant.
- Have bilingual staff or a translator read the “Rights and Responsibilities” form or other program materials to individuals who are not able to read the information.
- Make efforts to find resources for translation of program materials into the appropriate language(s).
- Make reasonable modifications to policies, practices or facilities as needed to address accessibility and avoid discrimination.

NOTE: Reasonable accommodation is the removal of barriers to allow individuals to participate equally in WIC. In some cases, what is considered “reasonable accommodation” may be different from what an individual requests.

Alternate formats

8.1 When requested, provide program information in alternate formats (i.e. large print, Braille, electronic format or audio). It is the WIC program’s responsibility to ensure effective communication of program information to individuals who require materials in an alternate format and to meet the requirements for reasonable accommodation under the American with Disabilities Act.
### Alien status

**9.0** Inform individuals of alien status that receiving WIC benefits:

- **will not** affect their application for immigration or citizenship benefits,

- **does not** render them a public charge.

### USCIS

**9.1** The US Citizenship and Immigration Services (USCIS) **should not** request a WIC participant of alien status to repay any WIC benefits they have received when they apply for immigration or citizenship benefits.

**9.2** Local programs shall not give participant enrollment information to USCIS staff. If a participant wants the local program to provide information to USCIS staff, they must request and complete a Release of Information.

**9.3** If a subpoena is received from USCIS or other agencies, refer to Policy 450—Confidentiality, Appendix A, for the procedure to follow in responding.

### Civil rights complaint process

**10.0** There are specific reporting and timeline requirements for all civil rights complaints. Refer to [588—Program Integrity: Complaints](#) for information on how to handle civil rights complaints.

### Racial/ethnic data collection and reporting

**11.0** Local programs shall collect and document racial/ethnic data during certification in TWIST.

**11.1** Explain to the individual that the data collection is for statistical purposes only and that it is a USDA requirement as part of the certification process.

**11.2** Inform the individual that it does not affect their eligibility for the program.

**11.3** Request that the participant self-identify their racial/ethnic background. Participants may choose to select more than one racial category (see ¶12.1).

**11.3.1** If a participant chooses not to self-identify a race and/or ethnicity, WIC staff must use visual identification to determine the participant’s racial and ethnic categories and should inform participant of this. Selection of one race is acceptable when local staff must make this decision.

**11.3.2** If an applicant is being pre-screened over the phone and chooses not to self-identify a race and/or ethnicity, chose “White” and “Not Hispanic or Latino.” When the applicant comes in for an appointment, review all the prescreen information and update, if needed.

Civil rights training for WIC staff

13.0 All WIC employees must receive civil rights training annually. WIC staff include those who have direct interaction with WIC participants as well as those who do not, such as a County Administrator who supervises a WIC Coordinator and/or other WIC staff. It is recommended that new WIC staff complete civil rights training within 30 days of employment as part of their orientation.

13.1 WIC staff should have a basic knowledge of the following areas of civil rights compliance:
- collection and use of data;
- effective public notification systems;
- complaint procedures;
- compliance review techniques;
- resolution of noncompliance
- requirements for reasonable accommodation of persons with disabilities;
- requirements for language assistance;
- conflict resolution; and
- customer service.
NOTE: Although administrative supervisors do not have direct contact with participants, they supervise staff who do and therefore should have knowledge of all the required areas of the civil rights complaint process. The administrative supervisors should be able to help answer questions relating to civil rights issues and the complaint process from staff they supervise.

13.2 WIC staff may use a variety of methods to increase knowledge on civil rights. Training may be formal or informal and may include but is not limited to the following:

- attending any county health department sponsored civil rights training;
- discussing civil rights issues at a staff meeting;
- reading up on civil rights articles or policies;
- checking the internet for civil rights regulations and updates;
- assigning civil rights questions for staff to research and report back; or
- developing questionnaires to measure the staff’s level of knowledge on discrimination and civil rights issues.

14.0 Each local WIC program is required to maintain a record of staff training, including civil rights training. This record must be available for state WIC staff to review during the required biennial WIC program review.

15.0 If a faith-based organization uses space in their facility to provide WIC services, the facility is not required to remove religious art, symbols, etc.

15.1 No USDA funds may be used to support any inherently religious activities.

15.2 No organization that receives USDA funds to offer WIC services can discriminate against an applicant or participant on the basis of religion.
