

☺ Job Aid: Farmers' Market Administration – Stock Statuses

Chapter 10: Vendor Management

Section 2: Farm Direct Nutrition Program (Farmers' Market)

Lesson: Using the Farmers' Market Administration Screen

For the 'Agency Stock' section of this screen the status codes are:

- SENT – The listed stock was sent to the agency but has not been verified.
- AVAIL – The listed stock was sent to the agency and verified.
- VOID – The listed stock was voided.
- EXPIRE – The listed stock has expired.

For the 'Stock History' section of this screen the status codes are:

- NEW – The original distribution of the subject stock, when it was shipped from the printer to the agency.
- XFER – The portion of the original 'NEW' stock distribution that is transferred to another clinic or the WIC state agency.
- VOID – The portion of the original 'NEW' stock distribution that is voided.
