*Any other tests which may be categorized as "PPMP" by the Centers for Medicare and Medicaid Services (CMS), the Centers for Disease Control and Prevention (CDC), or the Food and Drug Administration (FDA) for CLIA laboratories.

In PPMP laboratories the PPMP tests may only be performed by a physician, dentist, podiatrist or a physician assistant licensed by the Board of Medical Examiners for the State of Oregon; or a nurse practitioner licensed and certified by the Oregon State Board of Nursing. When PPMP tests are performed by other personnel, the laboratory becomes moderate complexity.

A laboratory that performs any test not in the waived or PPMP category will be considered either moderate or high complexity and must meet applicable requirements.
