

December 2014 CN Update

The Certificate of Need process is the state's only regulatory mechanism aimed at controlling the development of new health care facilities and services. The purpose of the law is to see that health services are adequately distributed around the state without unnecessary duplication of services or excessive costs to patients.

Letters of Intent

Cascade Health Solutions, Eugene, proposes to develop a freestanding hospice facility. On December 2, 2014, this project was ruled to be subject to full review under Certificate of Need law. The applicant will be seeking an abbreviated review of this project.

Presbyterian Nursing Home, Inc., Ontario, proposes to replace its existing facility with a new building and location in Ontario. On December 2, 2014, this project was ruled to be subject to full review under Certificate of Need law. The applicant will be seeking an expedited review of this project.
