Dear Judge Perry:

In conjunction with the triennial onsite agency review of Wheeler County's public health programs, staff from the Oregon Health Authority, Public Health Division reviewed the county's environmental public health program which is contracted with Grant County. Reviewers found that all compliance requirements have been met. Copies of the review tool and compliance finding page are enclosed.

We appreciate your staff's taking time to meet with our reviewers and for the fine public health services they provide to the community.

Sincerely,

Jan Kaplan, MSW, Manager
