*Meeting Summary:*

- **Roll was taken; a quorum was present (Tammy Baney).**  
The Meeting Summary of the September 16, 2014 meeting was approved.
  
- **Final Task Force Report to the Legislature**  
Chair Baney asked Task Force members if they had any questions or concerns about the final draft. Suggested edits include:
  - Cover page – remove the wording “Prepared by staff From the Meetings of the Future of Public Health Services Task Force”
  - Remove “straw person” from the report
  - On Page 4, 2<sup>nd</sup> paragraph: frame this differently (“social determinants” and “embrace new tools”) to read as a disclaimer. “While public health is not responsible for all these things it will be necessary for public health to embrace new tools...” Staff will work on appropriate language.
  - Create a “Public Health 101” summary document to make it easier to read and understand for non-public health audiences

Staff will prepare an easily understandable PowerPoint presentation and summary document that includes highlights of the report.

Task Force members were individually polled; the vote was unanimous to accept this report with the minor edits requested.

Meeting adjourned.
