Member Updates/ Upcoming events	<p>Gretchen: ACS Making Strides Against Cancer Walk is May 11 at Portland International Raceway. ACS is still enrolling participants who have never been diagnosed with cancer into their Cancer Prevention Study (CPS-3): http://www.cancer.org Kathy: Komen Breast Cancer Issues Conference was March 9, 2013 at the Oregon Convention Center., as well as a breast cancer update for medical providers on March 8, 1-6pm at Legacy Emanuel Medical Center. Both events were well-attended & featured excellent speakers. SB 420 re: notify women of their breast density via in writing on their mammogram report and SB 71 re: mandating standardized evidence-based CBE training for all medical providers who perform clinical breast exams as part of their work. Both bills are making their way through the legislative process. Jan: Lunch for the Cure will take place at the Portland Art Museum on April 18th. SB 362 proposes state funding be provided to the BCCP so that more women can be screened for breast cancer. It is currently in the Ways & Means Committee. Contact your legislator if you would like to communicate your support for this bill.</p>
