Account Options (Hide)

 Processing Site:

Select Apply Now to submit and pay for an Oregon Medical Marijuana Program (OMMP) processing site registration application.

You have the ability to submit an application, and application fee, for multiple processing sites under this single account. Once you have completed submission and payment of an application, simply select this link again to submit additional applications. You will need to submit an individual application for each processing site you wish to register. You will be able to manage each processing site application you submit from this single account.

Once your application is submitted you can manage each application and attach the additional documentation required by the Oregon Health Authority. Please remember you must attach the additional documentation for each application you submit.

For more information on application requirements, see our website on [How to Apply](#)
