RULE SUMMARY

The Oregon Health Authority, Public Health Division, HIV Community Services Program is proposing to adopt rules to govern the administration of the Oregon Housing Opportunities in Partnership Program. The program currently has policies and procedures but must formalize these through the rulemaking process. The proposed rules reflect current practice and the manner in which the program has been operating. They do not represent any significant change in who is eligible, service provided, or how the program services will be administered.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
