**RULE SUMMARY**

The Oregon Health Authority, Public Health Division, Center for Health Protection is proposing to amend an Oregon Administrative Rule relating to the tanning device registration program within Radiation Protection Services (RPS).

The tanning program is proposing to amend OAR 333-103-0025, to propose a 50% increase relating to the tanning device registration fee as outlined in Senate Bill 228 (Oregon Laws 2015, chapter 778) passed during the 2015 legislative session.

The proposed fee increase raises the annual tanning device registration fee from \$100 to \$150 and will become effective January 1, 2016

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
