

## **Community meeting planned to discuss pesticide use in the Triangle Lake/Highway 36 area**

July 7, 2011

Contact: Bruce Pokarney, director of communications, Oregon Department of Agriculture, 503-986-4559, desk; 503-799-9297, cell; [bpokarney@oda.state.or.us](mailto:bpokarney@oda.state.or.us).

**WHAT:** The Pesticide Analytical Response Center (PARC) is hosting a community meeting to provide information and answer questions regarding planned activities to address community concerns over use of pesticides in the Highway 36/Triangle Lake area in Lane County.

**WHY:** Community members have asked PARC for information about pesticide use and potential health issues.

**WHO:** The meeting is open to the public.

**WHEN:** Thursday, July 14, 6:30 – 9 p.m.

**WHERE:** Triangle Grange, 20264 Blachly Grange Road, in Blachly, OR

**DETAILS:** PARC's mission is to coordinate investigations that require collection and analysis of information about pesticide-related incidents of suspected health or environmental impacts. Member agencies involved in the community meeting include the Oregon Health Authority, Oregon Department of Agriculture, Oregon Department of Forestry, Oregon Department of Environmental Quality, US Environmental Protection Agency, and the Agency for Toxic Substances and Disease Registry (ATSDR).
