

FY13 Reproductive Health Client Data for FY15 Annual Plans

Data include clients seen during FY13 (July 1, 2012 - June 30, 2013). Services are counted only once for each client.

Please note these data represent a snapshot in time (FY13). New clients whose first visit was toward the end of FY13 will have had fewer opportunities to receive appropriate services. For example, if a client had a CT test at a visit after the end of FY13, this service is not counted below.

Similarly, if a client received services before the beginning of FY13, those services are not counted below.

Agency	Clinical Services								
	Pelvic exams and Pap tests for female clients under 21 years			Clinical Breast Exams for female clients under 20 years		CT testing for female clients 24 years and under; CT testing for female clients 25 years and older			
	# Unduplicated female clients 20 years and under	% who received pelvic exam	% who received Pap test	# Unduplicated female clients 19 years and under	% who received a breast exam	# Unduplicated female clients 24 years and under	% who got at least 1 CT test	# Unduplicated female clients 25 years and older	% who got at least 1 CT test
