RULE SUMMARY

The Oregon Health Authority (OHA), Public Health Division is proposing to revise the version of the School-Based Health Center (SBHC) Standards for Certification that is currently referenced in OAR chapter 333, division 28. The 2014 SBHC Standards for Certification reflect the required elements that SBHCs must meet to be certified by OHA as a School-Based Health Center. Local Public Health Authorities (LPHA) are currently being held to the 2014 Standards for Certification for their currently certified SBHCs and/or planning grantees. This change would allow the rules to reflect the current practice in the field.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
