HEALTH PLANS

## Healthy Students, Healthy Oregon Grant

- \$20,000 / 1 year grant
- Written by Milo Lopez  
(17, Forest Grove)
- Edited by Annie  
Colombo (Network  
Staff)

# Healthy Students, Healthy Oregon Grant

## The Project:

- A series of regional training workshops taking place over the next year:
  - Portland Metro area,
  - Eastern Oregon, and
  - Southern Oregon
- Promoting the SBHC model, Local YACs and Youth Health overall

# More About the Regional Trainings

## Goals:

- 1) Educate students about health risks they may face
- 2) Assist students in developing action plans that work to address health issues they've identified in their own schools
- 3) Equip students with the tools and skills to follow through with these action plans
- 4) Create and connect potential and active youth advocates across the state.
