Youth Suicide Prevention Network

The Youth Suicide Prevention Network is maintained by Donna Noonan, the Youth Suicide Prevention Coordinator for the Oregon Health Authority, Public Health Division. Includes resources, trainings, and up-to-date research related to adolescent suicide prevention. Email donna.noonan@state.or.us to get on the list.

BROADER PUBLIC HEALTH ISSUES

Building Healthy Communities

Moderated by the Oregon Public Health Division — Health Promotion & Chronic Disease Prevention Section, the Building Healthy Communities blog is designed to provide program grantees, contractors, and community partners with the latest national news and resources around obesity prevention and tobacco control. Updates are posted and sent to subscribers on most Fridays. To subscribe, go to <https://healthycommunities.wordpress.com>.

Health Within Reach

Health Within Reach is an effort of the Public Health Division of the Oregon Health Authority. The author, Karen Girard, MPA, is the Manager of the Health Promotion and Chronic Disease Prevention section for the Public Health Division. Karen will be looking at how the social conditions in which we live affect our health. To learn more and sign up for future posts, go to <http://healthwithinreach.org>.
