

Directions for Editing the SBHC Poster Templates:

There are 6 different versions of the templates that can be used and edited with the appropriate information relevant to your SBHC. On the following pages are examples of the poster templates, with **red boxes** that highlight the areas of **text that can be edited**. On the templates, example text has already been entered as a guide, but your SBHC may choose to alter the information based on your SBHC's specific services and policies. Please note, **only the text in those areas are editable** - all other fields, such as pictures or the size of the white boxes, cannot be changed. To modify the **editable text fields**, click on the appropriate text and it will turn into a working text box where you can make changes as necessary.
