

# Involving the Group

## Key Elements

- ❖ Pay attention to the body language and tone of voice of the participants in the group for clues about their level of involvement
- ❖ Allow time for everyone to talk
- ❖ Allow participants to participate or be silent by choice
- ❖ Accept all viewpoints non-judgmentally
- ❖ Pause to allow time for participants to answer before asking another question or offering information
- ❖ Invite the group to respond to other participants' questions by sharing their experiences or thoughts, before offering information

Facilitation Skills
