Hello WIC Vendors,

Today, 7/1/16, is a very special day! All Oregon WIC vouchers are officially spent! As always, stores have 60 days from the "First Day to Use" to deposit all vouchers. The same deadline applies for submitting rejected vouchers for payment consideration.

This is a day we've all been looking forward celebrating! You can officially recycle all WIC voucher-related training materials. We've updated our Oregon WIC webpage for vendors. We have a new Vendor Guide that you can print to replace your old guide. Or you can order one directly from us.

In perhaps even better news for stores, the end of vouchers also means the end of biannual Shelf Price Surveys!!

Thanks to all of you for helping us successfully transition to eWIC!

If you need this in an alternate format, please call (971) 673-0040.
