RULE SUMMARY

The Oregon Health Authority (OHA), Public Health Division, Oral Health Program is proposing to amend administrative rule 333-028-0320, "Certification Requirements" in chapter 333, division 28 "Certification for Local School Dental Sealant Programs" to clarify certification requirements in sections (4) and (6). These proposed changes are clarifications only and not a change to the existing rule.

A public rulemaking hearing may be requested in writing by 10 or more people, or by an association with 10 or more members, within 21 days following the publication of the Notice of Proposed Rulemaking in the Oregon Bulletin or 28 days from the date Notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received, the notice of the date and time of the rulemaking hearing must be published in the Oregon Bulletin at least 14 days before the hearing.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
